some way among the Reading's own stockholders.

The market steadied a little and remained dull after its preliminary advance to-day, but again gathered strength in the afternoon, so that closing prices were generally at or hear the highest, and at advances running from one to three points.

Notably strong stocks were the Louisville and Nashville and Atlantic Coast Line shares, these issues being those which were perceptibly in progress of accumulation before the recent decline But the rising tendency in the marke was broadcast, embracing every activ As weak features as any were the various Erie issues.
